To Whom It May Concern

RE: Ned Campbell

It is a pleasure for me to be able to recommend Ned Campbell for a position with your organization. As an intern, Ned has shown an interest in the constituents of my district through his active involvement on behalf of their concerns. His interaction with agencies such as the Ohio Student Aid Commission and the Ohio Bureau of Workers' Compensation exemplifies his ability to handle complex issues and resolve multi-faceted problems.

Ned's time and effort on behalf of my office, and the time he has committed to his active student career, indicates his seriousness and readiness to undertake new responsibilities. I am sure that you will find Mr. Campbell to be a superior candidate. His record of commitment and accomplishment speaks for itself.

If I can provide any further information or be of assistance in any way on Ned's behalf, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Amy Salerno".
